The institution strives for excellence in research, quality of education and student welfare. In August 2019, the Indian government declared VIT as an Institute of Eminence. With students from over 60 countries as well as from every state in India, VIT ensures every individual benefits from education, grounded in ethics and critical thinking, for improvement of life.

About Us

Dream Merchants is the premier business management and finance club of vit. Our objective is to develop an interest among individuals in the field of finance, business, and entrepreneurship. We aim to provide opportunities to students to explore a career in finance and trade while understanding the relationship between business, economic & monetary disciplines. It is a not-for-profit-organization that aims to develop its member's business insights through various workshops, events, and seminars which are attended by curious young business enthusiasts. We provide a platform for our members to discuss trading and investing along with top industry leaders.

During this pandemic crisis where the world switched to online mode, we took up this opportunity to utilize this time and conduct free events which were beneficial for the participants as well as for our members. Our club, single-handedly as well as in collaboration with other clubs, managed to organize online events such as Dream Quizzaders, workshops on search engine optimization, attaining financial freedom, etc.

DREAM TEAM

Awaited by cricket and finance enthusiasts alike, presenting you all “DREAM TEAM 2021”, a premium event hosted by Dream Merchants perennially. Dream Team replicates the actual IPL auction. It showcases the meticulous planning behind every multi-crore bid for Virat Kohli, every composition that Dhoni makes, every team switch by Maxwell, etc. Participants act as delegates for IPL teams, attempting to meet the team's requirement to the best of their abilities.

This event comprises of 3 rounds.

Round 1(The elimination round) will be a quiz consisting of 30 multiple choice questions (Duration: 8 mins Platform: Kahoot). The questions will be based on cricket or IPL domains. The top 32 participants will advance onto the next round. Judging criteria for this round is accuracy and speed.

In Round 2, The 32 participants are segregated into four groups, each with eight people. The qualified participants will compete in round 2 and the top 2 participants from each slot will advance to the third round.

Consequently, the eight finalists from round 2 will play in round 3. (It is implied that the rules for round 3 are same as round 2).

The event will be conducted on the Zoom platform. An auctioneer will share the player's name and base price in the meeting. The highest ratings of the best 11 players will be used to determine the winners.
