GREATER ODDS. GREATER WINNINGS

# EVENT DESCRIPTION

---

Awaited by cricket and finance enthusiasts alike, presenting you all “Dream Team 2021”, a premium event hosted by Dream Merchants perennially. Dream Team replicates the actual IPL Auction. It showcases the meticulous planning that goes behind every multi-crore bid for Virat Kohli, every composition that Dhoni makes, every team switch by Maxwell, etc. Participants behave as delegates for IPL teams and try their best to fulfill the team’s criteria.

# ROUND 1

The platform of the quiz will be Kahoot.

The quiz will be conducted on 18th September, at 6 PM IST.

The top 8 participants from each slot will be added to a WhatsApp group. Ratings of the players will be provided on the same day via the WhatsApp group itself.

We will be allotting names to the participants. They have to join using that name only.

The quiz will be based upon standard cricketing statistics and general knowledge related to IPL.

The quiz will consist of 30 questions and the participants will be given a time limit of 8 minutes.

The top 32 participants (including all four slots) will advance to the second round of the IPL auction.

The rankings will be decided based on both time and accuracy.

# ROUND 2

Each participant will be given a budget of INR 25k and the participants will have to keep an account of their budget and the players they bought.

If the team exceeds the given budget, the team will be disqualified then and there.

The players' list (125 players) will be provided beforehand we will be rating each player randomly (with slight modifications based on the rating given by various cricket associations).

The participants should turn on their cameras throughout the event.

To place a bid, the participants are supposed to raise their hand only in case a participant fails to respond within time (due to technical issues) then we are not responsible for it.

The auctioneer's judgment will be considered as final.

The bid will be incremented as follows:

PRICE BRACKET	BID INCREMENT
200 - 500	20
500 - 1000	50
1000 - 5000	100
5000 - 10000	200
10000+	500

The team must have at least:

4 Bowlers

4 Batsmen

2 All-Rounders

1 Wicket-Keeper

Your playing eleven should include precisely four overseas players

Each team can acquire a maximum of thirteen players.

Slots will be allotted to the selected participants (8 participants per slot).

The IPL auction will last about three hours for each available time window.

The auctioneer will call out the name of a player and the details will be displayed via the presentation.

After the presentation (details) has been displayed the participants can start bidding.

While bidding, the participants are supposed to raise their hands and then place their bid.

Participants will be allowed a maximum of 15 seconds to bid.

If no bid is put within 10 seconds, the player will be unsold.

A team can purchase more than eleven players, but only the brightest eleven will be considered. Each participant may acquire a maximum of thirteen participants.

# ROUND 3
